Finishes

ANTIQUING & DISTRESSING

As part of our hand finishing process we antique and distress each piece of furniture to give an appearance of age, as in a genuine antique. This is carried out by individual craftsmen and therefore may vary slightly from piece to piece. The woods and veneers used are natural products and may have naturally occurring blemishes which enhance the antique appearance.

Oak (O)

Yew (Y)

Leather

The leather in our desks and writing bureaus is 'Sheepskin Skiver' that may have naturally occurring blemishes. Our leather is coloured, antiqued and inlaid with Gold leaf entirely by hand giving each piece its unique quality and appearance.
